**Pressure Cooker Cookbook**

**Book 1: Clean Eating Diet Recipes Cookbook: Healthy and Delicious Recipes Cookbook for Weight Loss**

This book contains proven steps and strategies on how to cook meals each day that help you get leaner and stay leaner. These tasty, healthful meals can help you gain control of your eating, transforming your daily diet from snacking and indulging to consuming the ingredients your body loves and thrive on. And guess what? It all tastes great. You'll feel just as satisfied (if not more satisfied) eating these recipes than you are now with your current regimen. This is what a lot of other cookbooks might miss when making diet recommendations. Quality is just as key as quantity.

**Book 2: Electric Pressure Cooker: Quick And Easy Pressure Cooker Recipes For Delicious Meals**

This book contains many easy and quick recipes to make delicious meals. The recipes have been given in the easiest pattern for the ease of the readers. It has basic step by step procedure on how to use the pressure cooker and make specific recipes by using it. The book contains many recipes ranging from stews, soups, to delicious meaty meals. Not forgetting the sweet delights that have a section of their own. The instructions and ingredients are very clear and very easy to follow. The science behind pressure cooker is pretty simple. Water boils at a variable temperature in different pressure, the higher the pressure, the higher the boiling point. This means food can be cooked at high temperature without becoming dry or losing flavor.

**Book 3: Dump Dinner Recipes: 80+ Dump Dinner Recipes For A Tight Budget**

Do you ever want easy recipes that can be done within minutes? Well you're in the right place. Dump dinners are a popular form of cooking where you take ingredients and dump them in a casserole dish or slow cooker, and then cook it for a period of time. They are popular because of the low-maintenance that these have, and they don't take long to prepare. For those who are on the go, dump dinners are a great way to allow your family to have food that they want without too much of a hassle. This book will give you easy dump dinner recipes that work well, and you just have to dump them in. You don't have to be a professional cook for these recipes, but you can just get these recipes without any issues. You can get everything prepared as well, so you can just dump them in the dish or slow cooker, and you'll then be able to have a dinner that's perfect for you. Do this, and you'll have everything you want in no time.

## **Customer Reviews**

The book series contains pressure cooker recipes for fast and easy cooking. Many are turning to pressure cookers for meals in this day and age and there is a reason for this. Main dishes, side dishes, desserts, cakes, soups and a variety of more dishes can be cooked using a pressure cooker. Almost anything you can think of can be cooked using a pressure cooker, efficiently and fast. One of my favorite go to foods, or side dishes is garlic cheese biscuits Pressure cookers similar to a high power blender like the vitamixâ | seriously is life changing.

I am totally loving this set full of healthy and delicious recipes that are super beneficial to our overall

health wellness. This makes me very excited to change my current lifestyle into a more healthful one. I love how I could choose a whole lot of various food recipes for every meal. The other thing is the fact that it also helps with being able to maintain a lean and fit body. I am definitely keeping this in my Kindle library.

This is an extraordinary recipe box set! I got this in light of the fact that I need to cook different recipes for my family for consistently living. I am happy to have acquired this book. There are bunches of menus and they are all simple to do. The guidelines are elegantly composed and exhaustive so I didn't had the trouble to do some of them. It is all justified, despite all the trouble! The recipes are anything but difficult to take after and they are wonderful, I can say. So astounding!

An all in 1 recipes that will surely gives you healthy, clean and fit to your taste. This book is a complete package that will surely love by your family. recipes to cook at home. in pressure cooker and dump or slow cooker. The good thing with this recipes everything is easy to prepare and because you are making it plus effort for your family. Recipes from morning, afternoon and night with desserts to choose from.

This ebook contains four set of recipe books which are very useful and delicious. In the present times, every one is so much busy, no one gets enough time to cook. So, they opt for fast food and junk canned foods, which ultimately leads to many health issues including over weight. The recipes and cooking methods in the book can help you to cook your favorite meals without spending much time. All four book sets are very useful in the modern life!

I love to cook and learn new recipes during my spare time. This complete set of books give me the best ideas of variety foods I can cook for my family. It suits me well as I am also on diet. It doesn't only give me the healthy dishes but also gives me the complete set of delicious recipes which I can prepare in easy steps. Now I can serve different healthy meals for my family. I can even prepare easy snacks and desserts for my guests. It's really worth it!

Wow! Delicious and healthy recipes are completely all in one in this box set. This is definitely a must have recipe book. I love the recipes in book 2. Dump Dinner Recipes for a tight Budget. I tried the Slow cooker beef and broccoli and it's good. I am excited to try more of the recipes. Great Job! I will be sharing this to my husband who have the passion in cooking!

Absolutely worth it.. Too many delicious recipes to count. I've already tried 5 of the recipes and each one was excellent. Very happy with my purchase. I would definitely recommend this book to anyone looking for easy to make meals that don't sacrifice taste.
