Julie Andrews' Treasury For All Seasons: Poems And Songs To Celebrate The Year

Synopsis

A vast array of poems old and new joyously celebrates each special day of the year, telling of New Year's resolutions, Valentine's Day love, Easter parades, Fourth of July fireworks, and more. From the cold of winter to the new hope of spring, the brisk fall to the steamy summer, Caldecott Honor illustrator Marjorie Priceman's vibrant watercolor paintings ring in every month of the year, bringing each season to joyful life. Featuring verse from favorites like Walt Whitman, Jack Prelutsky, and Langston Hughes and poetic lyrics from the likes of Cole Porter and Oscar Hammerstein, plus heartfelt introductions by Julie Andrews describing favorite family holiday moments, this is the perfect collection for families to share together.

Julie Andrews, well-known as a highly regarded and respected entertainment figure in the world, and author of several children's books delivers this fascinating, fun-filled book for the entire family to enjoy. Children as well as adults will be inspired by a variety of heartfelt poems, which as a poet myself, I found extremely delightful. The joyous poems celebrate Special days of the year, including holidays. In addition, there are poems presented for the seasons, stunning paintings that add spice to the poetry, and songs. The verse from famous poets including Walt Whitman and Langston Hughes are breathtaking, the poetic lyrics include heartwarming introductions as Julie Andrews portrays colorful favorite holiday moments, and this book in itself is a golden treasure and a

keepsake for children and their families to share. Highly recommended as a special gift for that special person any time of the year. Very enjoyable, and refreshing!

Julie Andrews' Treasury for all Seasons is just that...a treasure! No matter what the occasion, Julie and Emma have compiled a delicious collection of diverse selections that are sure to touch the heart. I've also purchased the audio book, and cannot say enough how wonderful it is to hear these poems read aloud. Julie and Emma's expressive readings bring each poem and song lyric to jubilant life! I'm saving this, as well as the Julie Andrews' Collection of Poems, Songs and Lullabies, to read to my future grandchildren, and of course, enjoy them myself until then!

I ordered this book after seeing it showcased on the Today Show. The poems are so neat and divided by each month and season. The artwork is probably the best watercolor I have ever seen for a children's book. This is not only a great book for kids, but for adults too, who might be looking to connect with their artistic side. (I have no kids, but bought it just for me!) The overall feel is modern with sort of a retro vibe that brings my childhood back to relevance with my adult life. Julie Andrews and her daughter hit a home run with this book. I absolutely love it.

This is the second anthology by Julie Andrews and Emma Walton Hamilton. The two of them did a great job of choosing poems for this book, and they covered holidays unfamiliar to me. Each poem has a place and purpose, and it is a joy to sit down before going to bed and read a few that pertain to the nearest holiday. I especially enjoy the poems written by Julie and Emma. I love to write poetry, and most books of poetry appeal to me. This one is no exception. I recommend this book to anyone who loves to read. It can be enjoyed by the entire family, and would be a great enjoyment to be read to the family by someone who loves to read, especially to children. It is easy to find something of interest to anyone who loves poetry as I do.

I'm always looking for another great book of poems and what better way to organize these than to set them to the rhythm of the seasons and who better to guide us through these than Julie Andrews? Lots of old favorites along with poems certain to one day become old favorites. And beautiful illustrations.

This is an absolutely WONDERFUL collection of poems and songs that families are going to enjoy coming back to time and time again throughout the year! This is a classic. Gorgeous illustrations. I

recommend this book to any person of any age! What a gift! Purchase your copy now!

Julie Andrews' Treasury for All Seasons: Poems and Songs to Celebrate the Year It is a wonderful book that we will give to two of our grandchildren for Christmas. We wish that the book had the music to go along with the songs. That would make it much more meaningful for the kids to be able to sing the songs.

I have given it to my great-granddaughter for her 11th birthday, bought another set for friend's children, bought a set to give to my art teacher daughter in Birmingham, where her grade school was demolished by a tornado last January, and now have to order another book for me because it's wonderful to see the beautiful, creative illustrations and be reminded of those poems we used to know and read in our younger years.
