I was looking for a book for my seven-year-old son to be interested in reading again. He loves Captain Underpants, but read through all of them and then wasn't interested in anything else. after reading the first book of this series, he was hooked!!! I am buying two to three at a time, and he is constantly carrying these around and bringing them everywhere! I am so glad to have his head in a book again! I believe we're going on book 10 now

"The Case of the July 4th Jinx" is the fifth and latest of the Milo & Jazz mysteries, a series of armchair detective stories featuring middle school-aged sleuths Milo and Jazz, assisted by their favorite detective, Dash Marlowe. Quick paced, humorous, kid friendly, "The Case of the July 4th Jinx" will engage and challenge young mystery solvers to flex their analytical skills. As the book crashes along to a satisfying ending through many trendy twists and turns, readers will thrill to the experience of participating in finding the solution to the jinx. As with previous Milo and Jazz mysteries, "The Case of the July 4th Jinx" contains 5 or more pages of super sleuthing puzzles at

the conclusion of the book. "The Case of the July 4th Jinx" offers excellent summer reading for kids age 7 to 11, and will help enhance their critical thinking and analytical skills while giving them a pleasurable reading experience.

My son did not stop reading this book until he was done. He said this story was exciting from the start. I highly recommend this book!
