# Vms User's Guide (Digital Press Vax Users Series)

## Synopsis

For new and non-technical users of VMS, this is an introduction to the VMS operating system and the built-in functions of VMS Version 5, complete with hands-on, self-teaching experiments and step-by-step instructions. For more proficient users, the book serves as a quick reference. Among the subjects the book covers are: logging in, creating command procedures, files and directories, EDT and EVE editors, and how to customize the working environment.
