Celtic Animals Charted Designs (Dover Embroidery, Needlepoint)

Synopsis

Distinguished by its intricate interlacings and elaborate spirals, Celtic art has provided needlecrafters with countless motifs for use in varied projects. This intriguing collection of charted designs by Ina Kliffen incorporates the fascinating shapes of mythical Celtic creatures. Included are forty-three carefully devised color-coded charts depicting a variety of strange and mystifying beasts. Intertwined in the traditional snake-like weaves are eye-catching representations of fabulous fauna that will enhance any needlecrafter's work. Complete instructions and easy-to-follow diagrams enable even beginners to embellish clothing, linens, cushion covers, and other domestic items with a menagerie of eye-catching creations. Ideal for cross-stitch, these unusual designs also work well in needlepoint and other counted-stitch techniques.
