Guitars 2015 Wall Calendar

Synopsis

Now in a 12" x 14" format, Guitars delivers a year of rare and groundbreaking instruments in an oversize calendar that will electrify the guitar lover's soul. Gretsch's Monkees model in mod red. Hendrix's hand-painted Flying V. And the Alembic Jerry Garcia, marrying amazing electronics with a mosaic of woods. Detailed text explores each instrument's history, prominent players, makers, musical genres, and historic moments.

Customer Reviews

It's stunning! so amazing! I would like to do some posters with its images! A lot of information about the best guitarists around the world (their birthdays...) and all the free days are marked. Good purchase.

This is my one of my standard Christmas gifts for my guitar-playing son. I buy it for him every year. He loves it, even though he uses his phone for all his calendar events.

Neat guitars but the layout is horrid for using as an actual calendar. It's not something where you could even jot a small note in a box on a date.

I wish the day boxes were bigger so that I could write more in each individual one. Otherwise great

My son is a guitarist - and he loves these calendars. Always a great Christmas gift for him.

I buy this for my son every year for Christmas. Excellent calendar.

It was a gift for my son. He plays Guitar and he loves it.

A great gift for the guitar enthusiast!!!
