Customer Reviews

I'm always looking to get ahead of the Christmas rush when it comes to brainstorming and grabbing great Christmas gifts. Since everyone on my Christmas list loves to eat this book is just what I needed. The book, "Mason Jar Christmas Gift Recipes" takes you from buying the supplies you will need to healthy food prep to step-by-step preparation instructions. I also love the fact that the author includes healthy Mason jar recipes. This is especially great for those of us giving gifts to those who

are health conscious. The book is very helpful, well organized, and the recipes are quick and easy to follow.

This book is full of wonderful holiday ideas for you to explore and try this holiday season and the next! And the one after that...and the one after that. I enjoyed this book very much and intend to try some of these myself!

I've always been interested in these mason jar treats. I found some here I'd never seen before. Plus bacon?! Awesome treats for any gift giving season.
