Customer Reviews

This is a great adult coloring book, 72 pages, single side printing. The book/pages are a good size, 8.5" x 11". The designs include flowers, animals, geometric, mandalas. Some are super intricate, some aren't, it's a good book for anyone that enjoys coloring. I received the book free in exchange for my honest review, and I enjoy coloring in it. I use colored pencils, my kids use gel pens. It's a very relaxing thing to do, and its nice to turn off the tv and just color together.
