Cartridges Of The World (7th Ed)

Synopsis

Collectors, shooters and handloaders look to "Cartridges of the World" to further firearm performance and expand their own designs. In its 11th edition, this definitive guide to cartridges delivers the latest in commercial, military, international and wildcat cartridge development. This book includes: expert descriptions of cartridges from collectibles to genius hot-rod modified models; ballistics and load data to aid shooters in modifying and identifying cartridges; and additional full colour articles and more than 500 photos for assessing shot-shell collections. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

Stan Skinner's interest in guns began in his preteen years. Following military service, Skinner joined the NRA editorial staff. Today, he is managing editor of SAFARI magazine and technical editor of Guns & Ammo, with several African and North American species in the record books. --This text refers to an out of print or unavailable edition of this title.
