Customer Reviews

I download a lot of free books, especially for cooking. I am pleased that many of the authors of the selected rare and interesting recipes, and although much is repeated. I've had some wonderful results from recipes I learned from reading this book! The recipes are pretty good and most contain ingredients that most of us have in the pantry. This book is simply and clearly written, and there are pictures for each recipes!!! A Pressure Cooker is one of the best methods to use for cooking fast and great tasting meals. Job well done, author!

Pressure cooker is one of the greatest peoples inventions! But even though it looks easy to cook there, it takes some time to learn it and get used to it. And that's why I bought this book - it gave some essential tips for beginners and tons of cool recipes. I love that all the recipes are very easy to follow and are made of simple ingredients that you can find anywhere.

This cookbook is good for anyone who have a pressure cooker and likes to cook. This great cookbook tells you the benefits of pressure cooking, how to use the instant pot pressure cooker and safety tips. Cooking with a pressure cooker good because you can make different types of delicious and nutritious food while you save time and energy. The recipes are good and easy to follow, this is a very recommendable book.

A pressure cooker is a good tool for cooking delicious foods, this book is packed with 50 pressure cooker recipes which can be cooked rapidly. The recipes are simple and delicious. The cooking process id described is a simple way to make its reader understand. The taste of the recipes is also

unique. The skinny radish salsa, ginger butternut carrot soup, original plant-based pho, and pressure cooker quiche are good to eat.

I saw this on a daily Book deal page. It was advertised as free, had been .99. I received my confirmation and was charged \$3.39. I asked for my money back from the author and he has not contacted me. I would check twice before buying anything from him.

My mother used pressure cooker most of her cooking time at home because as a working mom, she wants to cook food faster but without compromising the nutrients of the food she prepared. This is the reason why I bought this book for her additional recipes to try at home. I have around 3-4 pressure cooker recipe books and still exploring some new books. And I find this book one of the best. This book also provides 50 instant pot recipes to try. Another delicious book to everyone.

I've had some wonderful results from recipes I learned from reading this book! This is absolutely awesome! I love this one! There are so many recipes to choose from! It provides our readers excellent tips on making great pressure cooker meals! A great book for anyone with a new pressure cooker. Also, a nice variety of easy recipes that taste amazing! I totally enjoyed this one. I'm glad the author came up with this idea in writing a very good cookbook. Job well done, author!

The recipes are very delicious, easy and the recipes are very easy to understand. I have made approx. 20 recipes from the book as of now and we loved every recipe. I think the book is incredible. Perfect book for everyone wanted to discover themselves in cooking. The recipes are pretty good and most contain ingredients that most of us have in the pantry.
