# Nashville Eats: Hot Chicken, Buttermilk Biscuits, And 100 More Southern Recipes From Music City

## Synopsis

If it seems like Nashville is everywhere these daysâthatâs because it is. GQ recently declared it âNowville,â and it has become the music hotspot for both country and rock. But as hot as the music scene is, the food scene is even hotter. Â In Nashville Eats, more than 100 mouthwatering recipes reveal why food lovers are headed South for Nashvilleâs hot chicken, buttermilk biscuits, pulled pork sandwiches, cornmeal-crusted catfish, chowchow, fried green tomatoes, and chess pie. Author Jennifer Justus whips up the classicsâsuch as pimento cheese and fried chickenâbut also includes dishes with a twist on traditional Southern fareâsuch as Curried Black Chickpeas or Catfish Tacos. And alongside the recipes, Jennifer shares her stories of Nashvilleâthe people, music, history, and food that make it so special.

## Book Information

Hardcover: 256 pages

Publisher: Stewart, Tabori and Chang (October 6, 2015)

Language: English

ISBN-10: 1617691690

ISBN-13: 978-1617691690

Product Dimensions: 8 x 1.2 x 10 inches

## Customer Reviews

4.5 stars, rounded up.If you would have asked me a year ago about Nashville cooking, I wouldn't have known or cared much about it. But over this past summer, my family and I had a vacation in Nashville, and I absolutely fell in love with the place. From the music scene, to the bar scene, to the glorious food I shoved in my face, I hope to return many more times. I saw this book, and I had to have it. I wasn't disappointed.The recipes in this book are divided by course: Scones Pones and Rolls, Starters and Salads, Birds, Meats, Fish, Veggies and Sides, Put-Ups, Sweets, and Drinks. What's really cool is that these sections include kitchen playlists. I have never seen a cookbook that came with music recommendations, and I love the Nashville touch it gives the collection. There's also a lot of personal connections and histories, giving the book a rustic, down-home charm.The

steps are written in paragraph format and are easy to follow. This book is FULL of pictures, and I absolutely love that. I hate cookbooks without pictures, so I really appreciated the volume of them in this book. It also made me more excited to cook, because good lord these dishes look amazing. I think this book is approachable to all skill levels. Some dishes are easier than others, but the steps are super clear and it's altogether not very intimidating for a beginner. It's very hard for me to just pick a few recipes to highlight, because so much of this food sounds (and looks) amazing, but I must do what I must do. Some of the dishes that I'm most eager to try include Fried Hot Chicken on White Bread with Pickle\*, Beef Brisket with Blue Cheese Grits, RC Cola Baked Ham, Watermelon Rind Pickles, Chess Pie, and a Float Named Sue.
