You're Tutu Cute! (Made With Love)

Synopsis

Do you turn upside down... and dance around the town? Do you jump way up high... and reach for the stars in the sky? Pint-sized ballerinas will twirl and spin, slide and scoot right along with the playful teddy bear in this adorable book from Sandra Magsamen. Every turn of the page and lift of the flap tells readers lovingly that they are "tutu" cute just the way they are, and encourages them to get up and dance!

Grade Level: Preschool and up

Customer Reviews

Loved this little book. My granddaughter gets so excited when we read to her. She loves the book too. The book has very cute pictures and rhyming words so you sort of bounce through the book. Lots of fun to read.

We used this book as a decoration (and gift for mom to be) at a TuTu Cute baby shower themed party. So cute! Great book with many compliments! The story is adorable and the book very well made!

I agree with another reviewer- and wish I saw it before buying the book. The edges are worn and

there was a stain on one of the pages! This was supposed to be a gift. Not happy with this purchase!

gift recipient really liked it
